

## **AUTHOR GUIDELINES**

SAJ is a blind-peer reviewed international journal of original multi- and interdisciplinary inquiries of architectural theory and spatial practice.

SAJ considers all manuscripts on the strict condition that they have not been published already, nor are they under consideration for publication or in press elsewhere and which report original research and demonstrate a full command of the scholarly literature and understanding of the codes of academic discourse. Papers for consideration should be submitted to [office@saj.rs](mailto:office@saj.rs).

## **MANUSCRIPT SUBMISSION**

## **GENERAL GUIDELINES**

Use current UK spelling and typographical practice.

After the first mention, the last name of a person, living or dead, will suffice unless clarity requires a title or additional name.

Use figures rather than spelled-out numbers for cardinal numbers over one hundred and for all measurements. Form the plural of decades without an apostrophe; “1990s” rather than “1990’s.” Dates should be given in the following forms: “22 October 1946,” “22 October,” “October 1946,” and “1946-51.” Spell out centuries and millennia in full: “twentieth century.”

Use figures rather than spelled-out numbers and spell out units of measurement: “100 feet” or “31 centimeters.” English and metric units may be abbreviated in discussions of quantitative data in technical articles: 100 ft., 31 cm (no periods with metric abbreviations).

Do not use abbreviations in the title of a paper, in the abstract, in the keywords, in the running heads or in headings and subheadings within the paper, unless the full version is very long and clumsy or the abbreviation is better known than the full term. If in doubt, spell out. Define an abbreviation the first time that it is used (except in the Abstract): write the term out in full followed by the abbreviation in parentheses. Use the abbreviation consistently thereafter, including at the start of sentences.

Quotations from foreign languages must be translated in the text, with the original in the endnote only if necessary. Isolated foreign words should be italicized. Full foreign-language quotations are set in Roman type and put within quotation marks. Foreign personal titles, names of buildings/rooms or places (Sala della Regina, Palazzo Montecitorio, Piazza Navona), institutions (Biblioteca Angelica), and the like are not italicized.

Use single quotes, with double quotes within quoted material. Short quotations should be indicated by single quotation marks, with double quotation marks for quotation material within the quote. A full point (or other punctuation) follows the reference for the quote: ‘... is the most decisive and important’. Lengthy quotes (40 words or more) should be displayed in block quotation, i.e., separate paragraph, indented and it should not have quote marks.

All other editorial issues may be resolved by consulting The Chicago Manual of Style or the SAJ Editorial Office.
